

NURTURE COMMITTEE

The Nurture Committee has not met but a few of the members have been busy with their own tasks. Those homebound have received communion and hot meals.

If you would like to receive communion when you cannot attend the first Sunday of the month at church we will send a member to your home. If you have had surgery or illness and need meals cooked please phone the church office or me and I will arrange to find deliveries for your family.

Do you like to cook for others or visit others please let me know and I will call you when there is a need. Thank you.

—Janice Anderson or phone the church office at 1(760) 375-7434
