

CHOIR NOTES

May your fall and school year be blessed.

The Methodist Choir is reaching full capacity and plans for Advent are being made at this time. Rich and I are talking about the possibilities of having an Advent Cantata by Pepper Choplin, one my favorite composers. Watch for future notice.

Rehearsals for the Dec. 5th Christmas Concert are set on the following Sundays: Sept. 26, Oct. 3 and 17, Nov. 7 and 28 at 2 p.m.

Praises that **Paula Herr's** cardio event was not serious, Good Health, Paula. Praises also that **Janet Hughes** has recovered from her summer time surgery. **Sharon Backman** continues to be on the sick list, so prayers for a complete recovery.

Thank You to **Michael Petersen** for stepping in to direct so I could visit my daughter, Saundra's, family in Medford, OR. We had a great visit also with **Lori and Steve Williams, Janet Wills** and **Sally and Art Duvall**, all previous RUMC members. Williams' and Wills' provided wonderful B & B's.

Our gratitude to the sound system team, **John Veazey, Ray Magorian, Monte Frisbee** who have installed cordless microphones for the song leaders, also to **Wes Hensley** who keeps our song leaders in balance when needed.

This congregation is truly blessed with dedicated singers and musicians and we Thank God for each one of them.
